

# Tour Cyclists

Welcome to The Station Hotel, we hope you enjoy your stay with us.

**Park your bike** under the covered area around the lawn. You can leave your helmet and shoes on your bike for fresh air. The dogs will look after your gear!

If you would like to **wash your bike** there is a hose at the back of the hotel.

A self-operated washing machine is located in the shower room outside next to Room 1. Laundry powder is available at the bar for a small fee. Please don't overload the machine. You can hang **laundry** under the covered area around the lawn or on our line out from the breakfast room. Please don't hang washing in your rooms or around the garden. We also offer full service laundry at \$10 per person.

**Dinner** can be ordered from 5.30pm. We have a range of items to suit everyone's taste and budget. If you have food allergies, are Vegan, Vegetarian or Coeliac, please advise staff. We can provide a meal that suits your needs.

**Breakfast** should be ordered and paid for the night before. We have continental (\$15) or cooked (\$25) options. Again please advise staff for special dietary requirements. Please note, we have **no self-service** cooking facilities for guests.

**Teas and coffee** are always available in the breakfast room downstairs and at the end of the hallway upstairs. The tap **water** is fine to drink and we have filtered and chilled water in the bar. Great to fill your bottles for the next day!

The next leg of your journey takes you through to Apiti. There is nothing on the way. You will need to carry food and water with you. Let us know the night before if you would like a packed **lunch**.

Please.... No food in rooms & if you are away early in the morning, please slam all doors quietly as others may still be asleep.

*Thanks for choosing us, Bryon & Sandy*
